

SorBose Flash CS3 Gaming Tutorial

Directions:

1. Download the following zip file with the associated Flash game tutorial files, [SorBose Flash Gaming Tutorial](#).
2. Open any of the Flash files to see how specific Flash games are created. Many of the files are just components of games. Pay special attention to the action script window to review code associated with the specific functionality being reviewed.
3. Some of the files are full Flash games so you can see how all the components function together.

** You must use Adobe Flash CS3 version 9 to open any of the flash files for this tutorial.
